Help Grow the Democratic Presence in Franklin County. Donate, Join and Stand Up for Our Values!

Looking forward to 2020, we will be working hard to get out the Democratic vote for the presidential election and supporting candidates in state legislative races. Elected officials, from school board members to President, make important decisions that impact the quality of our lives. It is critical that we work to elect Democrats in every level of government. Since 1931, the Women's Democratic Club of Franklin County has brought together people in Franklin County who are dedicated to building the Democratic Party, to supporting Democratic candidates, and to working on the important issues facing our communities.

In the past year we have:

- Hosted a luncheon with speaker Kadida Kenner of We The People, as well as featured local & judicial candidates.
- Awarded a \$500 scholarship to a student from Greencastle-Antrim High School to pursue undergraduate studies in PPE (Philosophy, Political science and Economics.)
- Sponsored a table at the Franklin County Pride Festival and Mercersburg Townfest where over 200 people signed postcards urging Franklin County lawmakers to support the Fairness Act which would extend equal and comprehensive non-discrimination protections to LGBTQ Pennsylvanians.
- Designed, printed and personalized 500 local borough and school board candidate postcards for constituents.
- Participated in Pennsylvania Federation of Democratic Women events including honoring a local elected official.

Your donation will allow us to reach more people, organize more events, get people to the polls, and elect more Democrats. We provide something unique in Franklin County — a place where Democrats from across the region can join together to network, socialize, and organize with others who share our concerns, politics, and values. *Working together, we can help elect candidates, educate the public about issues, and make a real difference.*

Thank you for your support,
Women's Democratic Club of Franklin County
